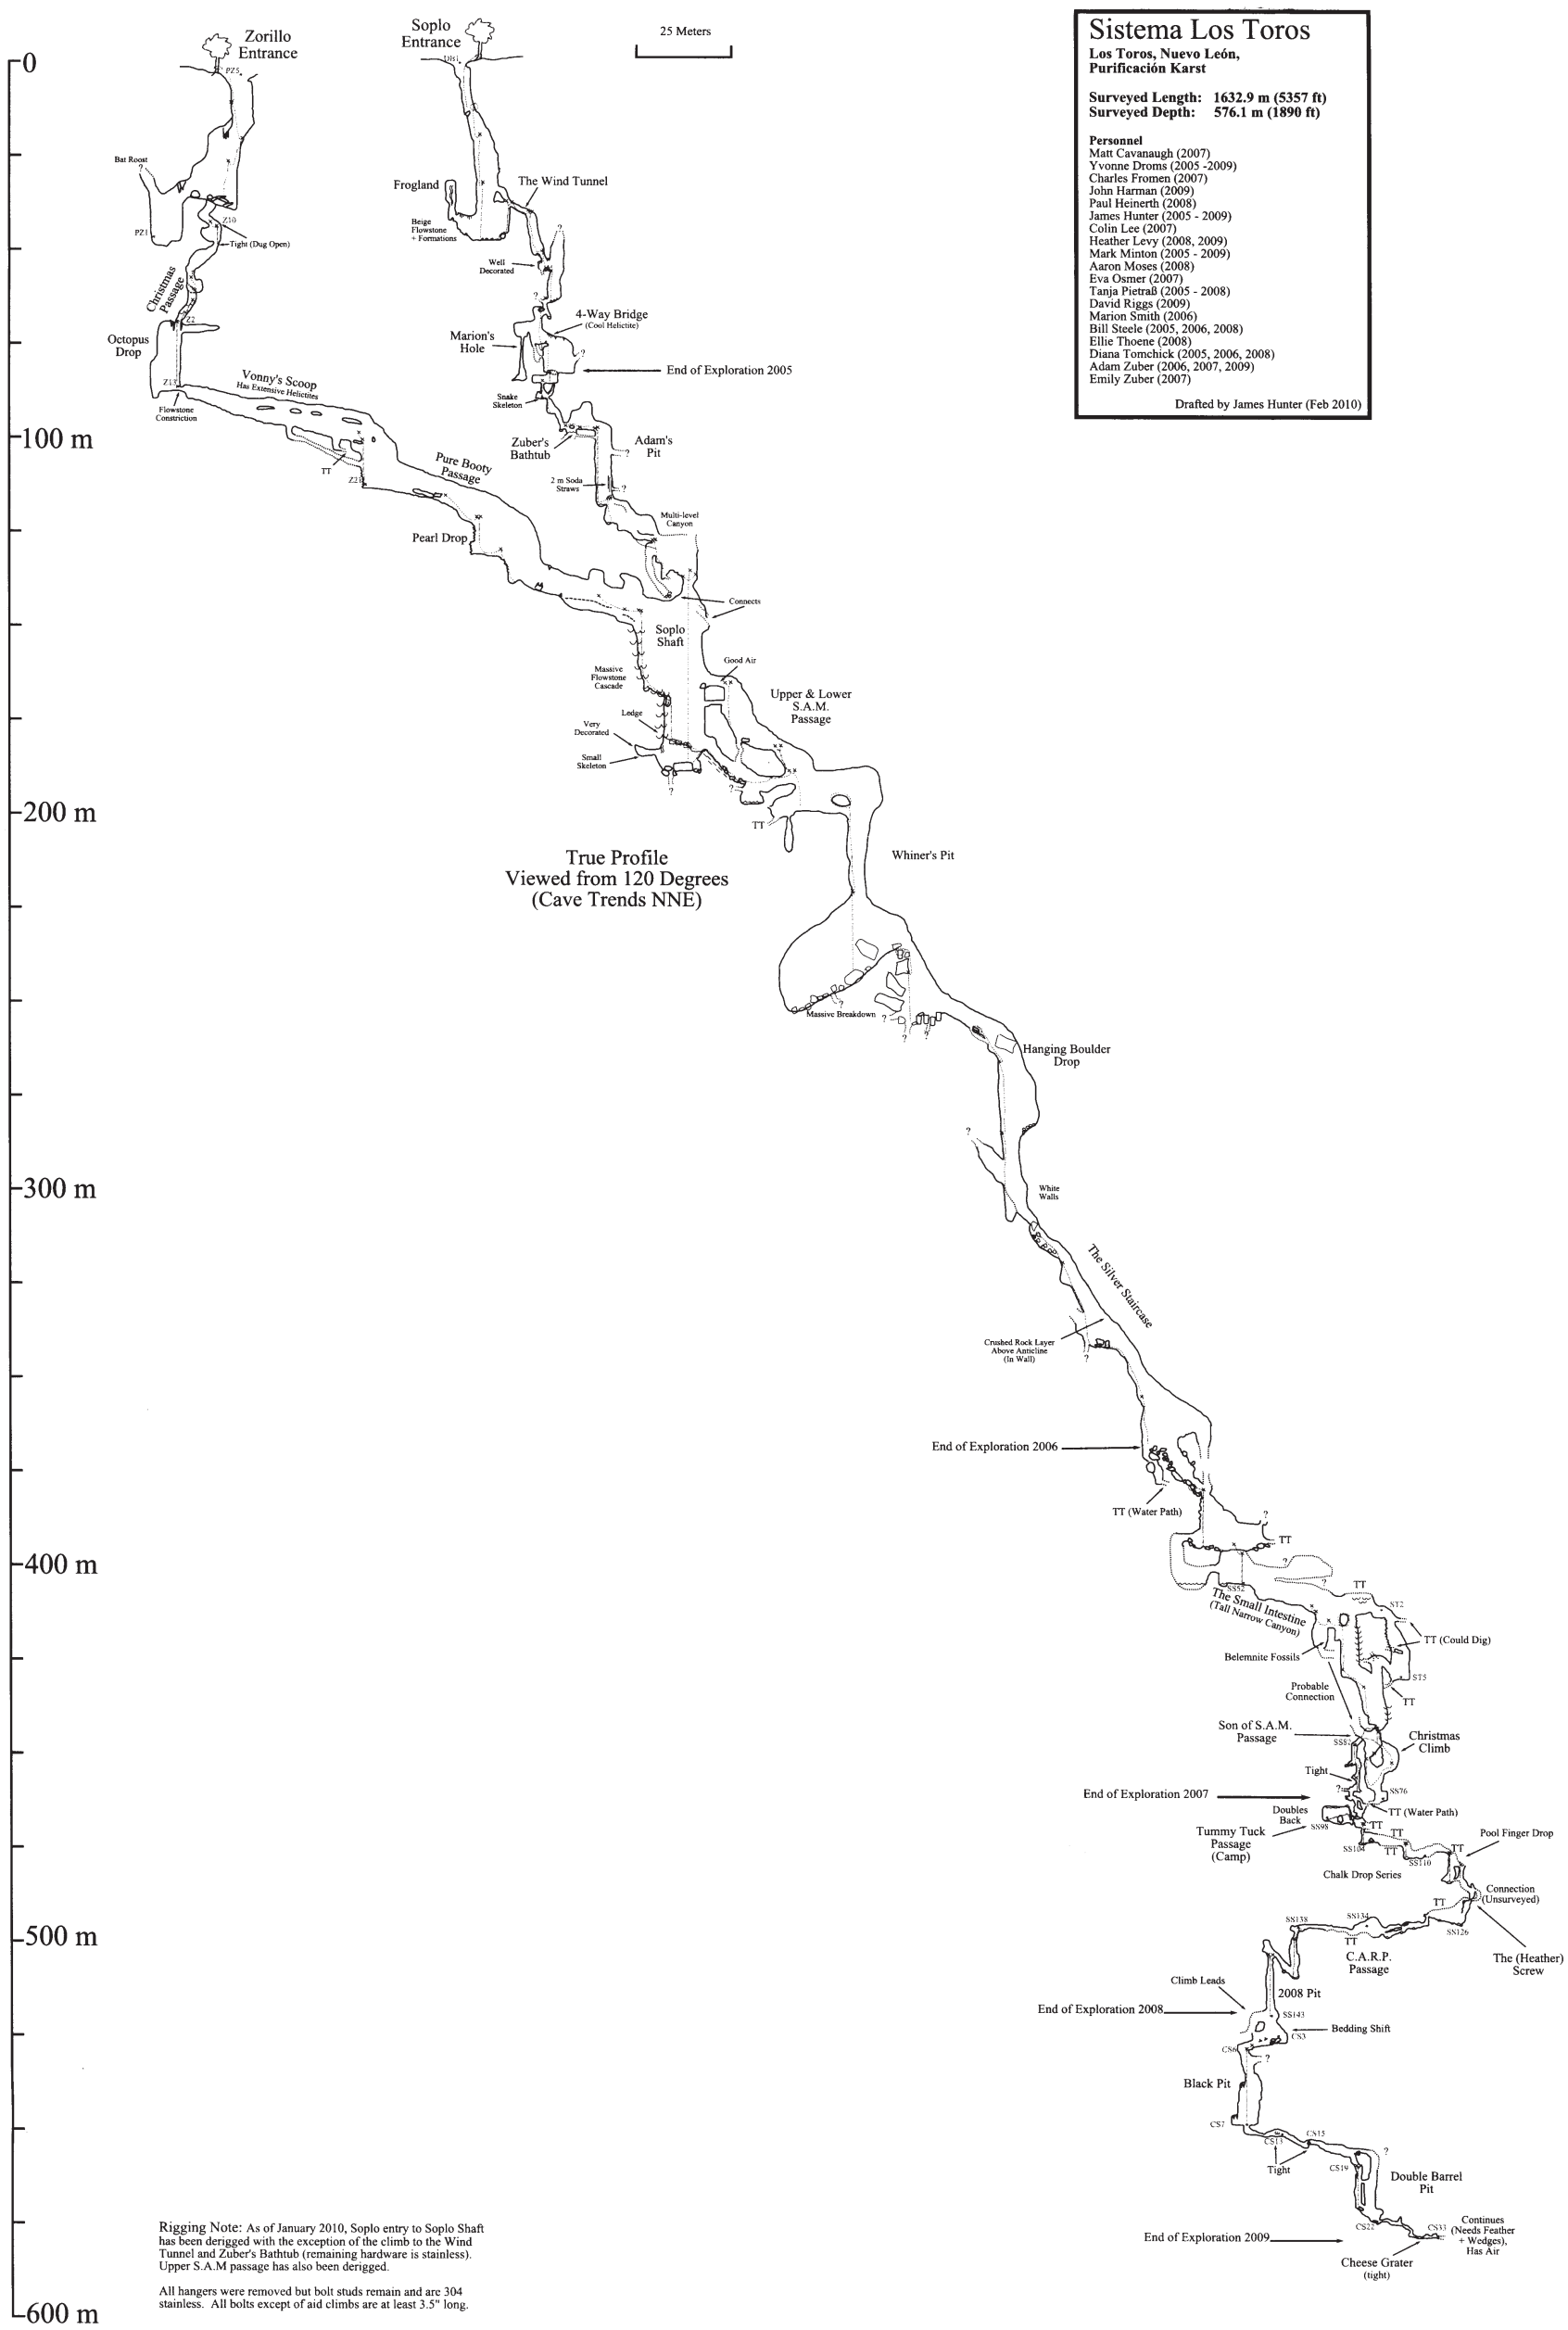
Diana Tomchick (2005, 2006, 2008)
Adam Zuber (2006, 2007, 2009)
Emily Zuber (2007)

Drafted by James Hunter (Feb 2010)



Rigging Note: As of January 2010, Soplo entry to Soplo Shaft has been derigged with the exception of the climb to the Wind Tunnel and Zuber's Bathtub (remaining hardware is stainless). Upper S.A.M passage has also been derigged.

All hangers were removed but bolt studs remain and are 304 stainless. All bolts except of aid climbs are at least 3.5" long.
