The background of the cover is a photograph of a cave interior. The walls and ceiling are covered in numerous stalactites of varying lengths and thicknesses. Some are thin and delicate, while others are thick and resemble columns. The lighting is dramatic, with warm, golden-brown tones highlighting the textures of the rock formations. In the lower-left quadrant, a person wearing a light-colored shirt and dark pants is standing, looking towards the right, providing a sense of scale to the massive cave structures.

A photograph of a person rappelling down a rock face in a cave. The person is wearing a red jacket and a yellow helmet. A bright light source is visible in the background, creating a lens flare. The cave walls are dark and wet, with a waterfall on the left side. The person is positioned on the right side of the frame, rappelling down a rock face. The water is splashing at the bottom of the cave.
