

K'oox Baal Cave System Quintana Roo

The 75 kilometers of the K'oox Baal system as of the end of 2012. The black lines show the parts of the cave surveyed at the end of 2008; the gray lines are the parts surveyed by Czech divers in 2009–2012. Major parts of the system that were connected to form the overall system are labeled, and some of the significant cenotes mentioned in the text are marked: 1, K'oox Baal; 2, Chun Che Chen; 3, Kot Be; 4, Balam Ts'al; 5, Tres Estrellas; 6, Sac Xiquin; 7, Nai Tucha; 8, Tan Ich; 9, Shaman Ek. Line plot from *Czech Speleological Society 2009–2012*; annotations added by Bill Mixon.
